Approaches to Learning	Research Skills, Social Skills
Learner Profile Attributes	Principled, Caring, Thinkers
Core Texts	'Letters from the Lighthouse' Emma Carroll

Term 2 of Year 6 is already well underway with children having created a piece of writing in role during World War 2.

This term, Year 6, will be delving deeper into the events of World War 2, thinking about the resolution and how we have learned and adapted after such a huge event in history. We will be drawing on our knowledge of current affairs to think about the future and what we can do to reduce conflict.

They will use the core texts to be inspired in their own writing and draw upon language, thinking carefully about its effect and how they can manipulate words to create atmosphere and draw in their reader's attention.

We will be undertaking our first full set of mock SATs, helping us to prepare for the end of the year and ensure that we can practise the routines so that it can all run smoothly and we can all be successful.

Please continue to support your children at home with homework, reading at TTRS and I look forward to meeting with you all during our parent consultations!

Many thanks for your continued support,

Miss Griffin
